

DR. GREGORY ALBERT

FACING FACTS

Dr. Gregory Albert Is A Leader In Cutting-Edge Plastic Surgery And Cosmetic Procedures

For many men and women, looking their very best is an integral part of their overall well-being and confidence. Feeling fabulous, feeling desirable, feeling confident...it truly is important, and best of all, it is possible. At any age.

Dr. Gregory Albert is dedicated to attaining the best results with each and every procedure he performs, maintaining a philosophy of safety first in each and every patient.

Plastic Surgery, as well as nonsurgical procedures, is a highly personal decision; one that should be made simply for oneself. Dr. Albert, respected and renowned in his field, has distinguished himself and his practice on this model: "Our goal is achieving the best results possible for each and every individual... based on their goals, their wishes and their ideal."

One cannot stress the importance of choosing a Board Certified Plastic Surgeon for any form of plastic surgery and all facial cosmetic procedures, including injectables and fillers. Gregory Albert,

“Our goal is achieving the best results possible for each and every individual... based on their goals, their wishes and their ideal.”

M.D., highly credentialed and well-regarded throughout the United States, is known as South Florida's leading board-certified plastic and cosmetic surgeon.

Dr. Gregory Albert is located at 6290 Linton Blvd., Suite 203, Delray Beach. For more information, call 561-495-2700 or visit drgregoryalbert.com or askdralbert.com.

The practice philosophy is simply: "Continuity of Aesthetic Care." Dr. Albert, who advocates "Age Management," believes that each patient has immediate concerns as well as long-term goals, and that the doctor-patient relationship is one based on trust, confidence and the knowledge that one's surgeon is highly skilled in cutting-edge technological lasers and state-of-the art procedures.

Dr. Albert specializes in cosmetic plastic surgery, with a concentration in minimal-incision endoscopic surgical techniques. His vast experience and impeccable credentials allow him to provide superior results to his patients.

Dr. Albert has published research and clinical papers on his specialty and won several awards for excellence in his field. He has had the honor of being awarded the Bernard B. Barney M.D. Award for outstanding interest, application and achievement in the Division of Plastic, Reconstructive and Cosmetic Surgery. He has been the Official Plastic Surgeon for the Florida Panthers since 2004, and is also recognized as a leader in male cosmetic surgery procedures.
